

Surname..... Forename.....

Date of Birth..... Year 11 Registration Group (if Uplands).....

Address

.....

Home Telephone Number..... Year 11 School if not Uplands.....

Do you have any disabilities or special needs?.....

.....

Do you have a Statement for SEN issued by the LEA?.....

GCSE Subject	Predicted Grade	GCSE Subject	Predicted Grade

List any qualifications you already have.

Following discussions with parents and staff, on the next page, please indicate the subjects you would like to follow in Year 12 (decisions about which courses will be taken in Year 13 are taken at the end of Year 12).

Please return this form to the Sixth Form office by 16 December 2011.

Please indicate subjects in order of preference. Do this by numbering your first choice subject '1', second choice '2' and so forth, up to a maximum of 6 choices. (Most students in Year 12 follow 4 courses).

Order of Preference	Course Code	Level 3 Courses
	BS10	AS Level Business Studies
	BS20	AS Level ICT
	CA10	AS Level Art and Design
	CA20	AS Level Drama and Theatre Studies
	CA30	AS Level Music
	CA40	AS Level Music Technology
	CA50	AS Level Photography
	TE10	AS Level Product Design - Graphics
	EN10	AS Level English Literature
	EN20	AS Level Media Studies
	HU10	AS Level Citizenship
	HU20	AS Level Geography
	HU30	AS Level Geology
	HU40	AS Level History
	HU50	AS Level Philosophy and Ethics
	HU60	AS Level Psychology
	HU70	AS Level Sociology
	MA10	AS Level Mathematics
	MA20	AS Level Further Mathematics
	ML10	AS Level French
	ML20	AS Level Spanish
	PE10	AS Level Physical Education
	SC10	AS Level Applied Science
	SC30	AS Level Biology
	SC40	AS Level Chemistry
	SC60	AS Level Physics
The following are all one year Level 2 courses		
	SC20	**GCSE Astronomy
	SC50	**GCSE Environmental Science
	EN30	*GCSE English Language retake
	MA30	*GCSE Mathematics retake

*GCSE English and Mathematics re-take courses are for students who wish to improve on GCSE grades in these subjects in order to secure 'C' grades. As such, students are unlikely to opt for them at this stage but would be recommended to do so in September 2012 dependent on grades.

**The Science faculty will be offering Environmental Science GCSE. This is likely to run as an after school class along with GCSE Astronomy. Students keen to continue with Science subjects but without the grades to complete a Level 3 (AS Level) course will be able to follow these courses. Students with a 'CC' in Science may wish to follow AS Level Applied Science.

**All courses are dependent on student numbers and staff availability.
Confirmation of courses not running will be given to students concerned in the
spring.**
