Following the release of revised guidance from the Department for Education (DfE) – School Complaints Procedures: Guidance for Schools, the East Sussex model policy template has been revised to reflect the changes in the guidance. The policy has been revised with input from the ESCC legal department.

Governing Boards are advised to adopt this policy and procedure in full.

The school contact information on page 1 should be populated and amended if any of the roles mentioned change. The revised policy should be reviewed on a 2 – 3 year cycle. The policy needs to be published on the school website to meet the requirements of the Schools Information Act.

Introduction

The central objective of Uplands Community College is to create and maintain a safe, happy, and healthy learning environment where every pupil can achieve their full potential. The staff and governing board work in a spirit of co-operation with parents, carers, and other interested parties. Throughout the process, we will be sensitive to the needs of all parties involved, and make any reasonable adjustments needed to accommodate individuals.

In line with the requirements of section 29 of the Education Act 2002, Uplands Community College:

- Has a complaints procedure that is easily accessible, simple to use and easy to understand;
- Encourages resolution of concerns by informal means wherever possible;
- Addresses all points at issue and provides an effective response and appropriate redress where necessary;
- Resolves issues swiftly to established timescales, impartially and in a spirit of co-operation;
- Provides a fair investigation by an independent person where necessary;
- Respects, as appropriate, confidentiality;
- Ensures that the Governing Board regularly monitors complaints received by the school;
- acts in accordance with the requirements of the General Data Protection Regulations (GDPR) and Data Protection Act 2018

Uplands Community College prides itself on the quality of the teaching and the pastoral care we provide for our pupils. If parents, carers, or members of the public have concerns, they can expect the issues they raise to be treated seriously by the school and in accordance with this policy document.

The difference between a concern and a complaint

A ‘concern’ may be defined as ‘an expression of worry or doubt over an issue considered to be important for which reassurances are sought’.

A complaint may be generally defined as ‘an expression of dissatisfaction, however made, about actions taken or a lack of action’.

It is in everyone’s interest to resolve concerns and complaints at the earliest stage. Many issues can be resolved informally, without the need for formal procedures. Uplands Community College takes informal concerns seriously and makes every effort to resolve the matter as quickly as possible.

However, there are occasions when complainants would like to raise their concerns formally. In those cases, Uplands Community College will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.
**Who can make a complaint?**

Anyone can make a complaint about any facilities or services that Uplands Community College provides, unless separate statutory procedures apply (such as exclusions or admissions), this includes:

- Parents or carers of children currently at the school;
- Parents or carers of children no longer at the school;
- Members of the public;
- A third party acting on behalf of the complainant. In these cases, written consent will be required from the complainant before any information is disclosed.

Anonymous complaints will not normally be investigated. However, the Principal, Mrs J. Mountford, or chair of governors, Mrs D. Coslett, will determine as appropriate whether the complaint warrants an investigation.

**How to raise a concern or make a complaint**

The majority of concerns or complaints received will be from parents or carers regarding issues relating to an individual child or children. However, there may be occasions where concerns or complaints are received about the school’s management of wider issues.

In nearly all cases, communicating face to face, between the appropriate member of staff and parent/carer is the most effective way to address concerns or complaints. A good discussion, when all parties are listening to each other and seeking resolutions, will frequently be the most effective and quickest way of resolving of issues.

- A concern or complaint can be made in person, by letter or email, or by telephone;
- Complaints concerning the school staff (except the Principal) should be made in the first instance to Mrs J. Mountford, Principal via reception. Please mark them as Private and Confidential;
- Complaints that involve or are about the Principal should be addressed to Mrs D Coslett, the chair of governors, via reception. Please mark them as Private and Confidential;
- Complaints about the chair of governors, any individual governor, or the whole governing board should be addressed to the Clerk to the governing board via reception. Please mark them as Private and Confidential;
- Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may prevent them from considering complaints at stage 3 or 4 of the procedure.

Some complaints fall outside the school’s complaints procedure, for example, staff grievances or staff conduct and/or competency (see: Complaints outside the Scope). In these cases, if such an issue is brought to the Principal or chair of governor’s attention, the school will follow its own internal personnel processes. The complainant will be informed that an issue is to be considered as part of the school’s personnel processes but will not be informed of the outcome of any such considerations.

Complainants are advised to limit the numbers of communications with a school while a complaint is being progressed. It is not helpful if repeated correspondence is sent (by either letter, phone, email or text) as it could delay the outcome being reached.

Concerns or complaints raised on social media will not receive a response unless raised through these procedures.

Recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded will not be accepted as evidence in the complaints process.
For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact reception. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations or enabling a satisfactory record of any meetings to be made.

**Resolving complaints**

At each stage in the procedure, Uplands Community College seeks to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- An explanation;
- An admission that the situation could have been handled differently or better;
- An assurance that we will try to ensure the event complained of will not recur;
- An explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made;
- An undertaking to review school policies in light of the complaint;
- An apology.

Where further investigations are necessary, new time limits will be set, and the complainant will be sent details of the new deadline with an explanation for the delay.

**Withdrawal of a complaint**

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

**Timescales**

The school expects that complaints will be made as soon as possible after an incident arises and no later than three months afterwards. If the complaint is about a series of related incidents, they must raise the complaint within three months of the last incident. We will consider complaints raised outside this time frame if exceptional circumstances apply and the complaint can still be investigated in a fair manner for all involved.

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

If at any point we cannot meet the timescales we have set out in this policy, we will:

- Set new time limits with the complainant;
- Send the complainant details of the new deadline and explain the delay.
Complaints outside the scope

Some complaints will be outside the scope of this procedure as there are separate statutory procedures to deal with such issues. These include:

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams, or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If a complainant commences legal action against Uplands Community College in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

**Complaint campaigns**

If Uplands Community College receives a large volume of complaints, which are all based on the same subject and/or from complainants unconnected with the school, the school will send a template response to all complainants and publish a single response on the school’s website.
Duplicate complaints

After closing a complaint at the end of the complaints procedure if a duplicate complaint is received about the same matter from a connected party, the duplicate complainant will be informed the school has already considered the complaint and the local process is now complete. The new complainant will be advised to contact the DfE if there is dissatisfaction with the original handling of the complaint.

Use of social media

Uplands Community College considers that the promotion and continuance of a positive, healthy, and safe school community ethos depends upon all members of the school community contributing to and being responsible for maintaining this. The school therefore actively encourages any individual with a concern to raise it as soon as possible within the process described. For the same reason, Uplands Community College strongly discourages the use of social media in this respect, and asks parents and carers and others of the school community not to post on social media any issues which should more appropriately be dealt with within the school processes for concerns and complaints.
The Complaints Procedure

This stage does not apply to complaints against the Principal, a Governor, or the Governing Board.

Informal

As referred to earlier in this policy, the intention of Uplands Community College is to create and maintain a safe, happy and healthy learning environment and the staff and governing board seek to establish a spirit of cooperation with parents, carers and other interested parties to ensure that a positive school community ethos is established to achieve and maintain this.

It is in everyone’s interest to resolve concerns at the earliest stage and the school’s experience is that many issues can be resolved by proactive and timely discussion between the appropriate people. Uplands Community College therefore takes informal concerns extremely seriously and will make every effort to resolve the matter quickly and effectively.

In order to assist this, the concern should be raised as soon as possible with the relevant member of staff or the Principal, as appropriate, either in person or by letter, telephone, or email. If the person with the concern is unclear, who to contact or the process involved the school office will be able to assist.

If the person with the concern has a difficulty discussing it with a particular member of staff, we will respect your views. In these cases, Mrs J. Mountford, Principal, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, Mrs J. Mountford will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

If, however, a resolution is not reached and/or the person with the concern is dissatisfied with the outcome then they may wish to escalate the complaint to Stage 1 of the procedure.

Stage 1 – Review by the Principal

This stage does not apply to complaints against the Principal, a Governor, or the Governing Board.

The Principal may delegate the investigation to another member of the school’s senior leadership team but not the decision to be taken.

The complaint must be made to Mrs J. Mountford, Principal, via reception. This may be done in person, by letter (preferably on the complaint form), by email, or telephone. The Principal will record the date the complaint is received and will acknowledge receipt in writing, by letter, or email, within five school days. Within this response, Mrs Mountford, Principal, if needed will seek to clarify the nature of the complaint, what remains unresolved and what outcome the complainant would like to see. The Principal will indicate if a face-to-face meeting is the most appropriate way to secure clarification or whether the complainant should respond by letter or email.

At the conclusion of the investigation, Mrs Mountford, Principal, will provide a formal written response within fifteen school days of the receipt of the complaint. If the Principal is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will refer to actions taken to investigate the complaint and an explanation of the outcome and the reason(s) for it. Where appropriate, it will include details of actions Uplands Community College will take to resolve the complaint and any other actions the school will take to improve policy and practice.
Mrs Mountford, Principal, will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 1. Should the complainant wish to escalate their complaint to Stage 2, they must do so within ten school days of the date of the formal written response setting out the outcome of the Stage 1 process.

**Stage 2 – Investigation by Governing Board**

Complaints at this stage are in one of three categories:

- The complainant is not satisfied with the outcome at stage 1;
- The complaint is about the Principal, or a member of the governing board (including the Chair or Vice-Chair);
- The complaint is about:
  - The Chair and Vice Chair; or
  - The majority of the governing board; or
  - The entire governing board.

For all three categories above, the complainant must write to or email (preferably on the complaint form) the clerk to the governing board via reception to request that their complaint is considered at Stage 2. They should set out the details of the complaint and include appropriate evidence. The complainant should also specify what they feel would resolve the complaint, and how they feel the previous stage of the procedure has not addressed their complaint sufficiently if this applies.

The clerk will record the date the complaint is received and will acknowledge receipt in writing, by letter, or email, within five school days.

Mrs D Coslett, chair of governors, or a suitably skilled governor will investigate complaints in categories 1 and 2 above. For complaints received in category 3, the clerk will seek advice from the local authority as to how the complaint should be dealt with and the complainant will be advised accordingly.

The chair of governors / nominated governor will investigate the complaint and contact the complainant if they feel a face-to-face meeting would be helpful.

At the conclusion of the investigation, the chair of governors / nominated governor will provide a formal written response within fifteen school days of the receipt of the complaint. If they are unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will refer to actions taken to investigate the complaint and an explanation of the outcome and the reason(s) for it. Where appropriate, it will include details of actions Uplands Community College will take to resolve the complaint and any other actions the school will take to improve policy and practice.

Where further investigations are necessary, new time limits will be set, and the complainant will be sent details of the new deadline with an explanation for the delay.

The chair of governors / investigator will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 2. Should the complainant wish to escalate their complaint to Stage 3, they must do so within ten school days of the date of the formal written response setting out the outcome of the Stage 2 process.

**Stage 3 – Governing Board Review Panel**

This is the final stage of Uplands Community College’s complaints procedure.
The complainant must write to or email (preferably on the complaint form) the Clerk of the governing board within ten school days of the date of the formal written response setting out the outcome of the Stage 2 process. For category 1 complaints, requests outside of this timeframe will only be considered if the chair of governors considers exceptional circumstances apply. For category 2 and 3 complaints, requests outside of this timeframe, the clerk will seek advice from the local authority as to how this matter should be dealt with.

The complainant should set out the details of their complaint and include appropriate evidence. They should also specify what they feel would resolve the complaint, and how they feel the previous stages of the procedure have not addressed their complaint sufficiently.

**Stage 3: Timeline**

</tr>
<tr>

</tr>
<tr>
<td>4.</td>

The complainant and school are responsible for ensuring that the witnesses are aware of the time / date / location of the meeting. </tr>
<tr>
<td>5.</td>

</tr>
<tr>
<td>6.</td>
<td>The Governing Board Review Panel will communicate their findings to all parties concerned within ten school days of their meeting.</td>
</tr>
</tbody>
</table>

* The complainant must have reasonable notice of the date of the review panel; however, the review panel reserves the right to convene at their convenience rather than that of the complainant and reach a conclusion in the interests of drawing the complaint to a close. If the complainant rejects the offer of three proposed dates, the Clerk will set a date. The hearing will go ahead using written submissions from both parties.

** Some papers maybe withheld or redacted due to the nature of the content.
**Stage 3: Panel membership**

The panel consists of at least three members of the governing board with no prior involvement or knowledge of the complaint. One of the members will act as the Chair of the panel. If there are fewer than three governors from Uplands Community College available, the Clerk will source any additional, independent governors through another local school or through East Sussex Governor and Clerking Services in order to make up the panel.

**Stage 3: Hearing process**

The Governing Board Review Panel will consider all stages of the complaint. This is to make sure that decisions are not taken in isolation and there is a mechanism by which decisions are considered independently. If a new issue arises, the panel will use its discretion to decide if it is appropriate to consider and comment upon it; this may require a short adjournment of the meeting. However, the panel may decide it is not appropriate to review any new complaints at this stage or for any evidence unrelated to the initial complaint to be included. In these circumstances, new complaints must be dealt with from the informal stage of the procedure.

The aim of the hearing, which will be held in private, will always be to resolve the complaint and achieve reconciliation between the school and the complainant. However, it must be recognised that the complainant might not be satisfied with the outcome if the hearing does not find in their favour. It may only be possible to establish the facts and make recommendations that will satisfy the complainant that his or her complaint has been taken seriously.

At the review panel hearing, the complainant and representatives from the school, as appropriate, will be present. Each will have an opportunity to set out written submissions prior to the meeting. Any written material provided by the complainant or the school/Principal will be seen by everyone on the Governing Board Review Panel and attending the hearing. However, in some cases papers maybe withheld or redacted due to the nature of the content.

- The complainant must be allowed to attend the panel hearing and be accompanied by a suitable companion if they wish; this should not be legal representation as the Governing Board Review Panel is not a form of legal proceedings. However if a school employee is called as a witness in a complaint meeting, they may be entitled to ask to be supported by their union;
- Representatives from the media are not permitted to attend;
- Both the complainant and the school will have the opportunity of putting their case within a reasonable specified time limit without undue interruption so that the issues are addressed and key findings of fact established;
- At the meeting, the complainant and the school will have the opportunity to give statements and present their evidence, and witnesses will be called as appropriate to present their evidence;
- The panel, the complainant and the school representative will be given the chance to ask and reply to questions. Once the panel considers they have all the information required the complainant, school representatives and witnesses will be asked to leave and evidence will then be considered;
- The Clerk will be present and record the outcome of the hearing.

The Panel will consider the complaint and all the evidence presented. The Panel can:

- Uphold the complaint in whole or in part;
- Dismiss the complaint in whole or in part.

If the complaint is upheld in whole, or in part, the Panel will:

- Decide on the appropriate action to be taken to resolve the complaint;
• Where appropriate, recommend changes to the school’s systems or procedures to prevent similar issues in the future.

The Chair of the Panel will provide the complainant and the school with a full explanation of their decision and the reason(s) for it, in writing within ten school days. The letter will include details of how to contact the School Complaints Unit (SCU), which investigates complaints relating to maintained schools on behalf of the secretary of state.

Please see section on Further Recourse

Further recourse

If the complainant is unsatisfied with the outcome of the school’s complaints procedure, they can refer their complaint to the School Complaints Unit (SCU), which investigates complaints relating to maintained schools on behalf of the secretary of state.

The SCU will not re-investigate the matter of the complaint. It will look at whether the school’s complaints policy and any other relevant statutory policies that the school holds were adhered to. The SCU also looks at whether the school’s statutory policies adhere to education legislation. It may direct the school to re-investigate the complaint where it is clear the school has acted unlawfully or unreasonably.

For more information, or to refer a complaint, see the following webpage: https://www.gov.uk/complain-about-school

We will include this information in the outcome letter to complainants.

Unreasonably persistent complaints

Most complaints raised will be valid, and therefore we will treat them seriously. However, a complaint may become unreasonable if the person:

• Has made the same complaint before, and it’s already been through the school’s complaints procedure;
• Makes a complaint that is obsessive, persistent, harassing, prolific, defamatory or repetitive;
• Knowingly provides false information;
• Insists on pursuing a complaint that is unfounded, or out of scope of the complaints procedure;
• Pursues a valid complaint, but in an unreasonable manner e.g. refuses to articulate the complaint, refused to co-operate with this complaints procedure, or insists that the complaint is dealt with in ways that are incompatible with this procedure and the time frames it sets out;
• Changes the basis of the complaint as the investigation goes on;
• Makes a complaint designed to cause disruption, annoyance or excessive demands on school time;
• Seeks unrealistic outcomes, or a solution that lacks any serious purpose or value.

Steps we will take

We will take every reasonable step to address the complainant’s concerns, and give them a clear statement of our position and their options. We will maintain our role as an objective arbiter throughout the process, including when we meet with individuals.

We will follow our complaints procedure as normal (as outlined above) wherever possible.

It the complainant continues to contact the school in a disruptive way, we may put communications strategies in place. We may:
• Give the complainant a single point of contact via an email address;
• Limit the number of times the complainant can make contact, such as a fixed number per term;
• Ask the complainant to engage a third party to act on their behalf, such as Citizens Advice;
• Put any other strategy in place as necessary.

**Stopping responding**

We may stop responding to the complainant when all of these factors are met:

• We believe we have taken all reasonable steps to help address their concerns;
• We have provided a clear statement of our position and their options;
• The complainant contacts us repeatedly, and we believe their intention is to cause disruption or inconvenience and / or he or she is making substantially the same points each time.

Where we stop responding, we will inform the individual that we intend to do so. We will also explain that we will still consider any new complaints they make.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from our school site.

**Duplicate complaints**

If we have resolved a complaint under this procedure and receive a duplicate complaint on the same subject from a partner, family member, or other individual, we will assess whether there are aspects that we hadn’t previously considered, or any new information we need to take into account.

If we are satisfied that there are no new aspects, we will:

• Tell the new complainant that we have already investigated and responded to this issue, and the local process is complete;
• Direct them to the DfE if they are dissatisfied with our original handling of the complaint.

If there are new aspects, we will follow this procedure again.

**Unreasonable complaints**

Uplands Community College is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive, or threatening.

A complaint may be regarded as unreasonable when the person making the complaint:

• Introduces trivial or irrelevant information which the complainant expects to be taken into account and commented on, or raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales;
• Makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced;
• Uses threats to intimidate;
• Uses abusive, offensive or discriminatory language or violence;
• Publishes unacceptable information on social media or other public forums.

Whenever possible, the Principal or chair of governors will discuss any concerns with the complainant informally before making a judgement that their complaint is unreasonable.

If the behaviour continues, the Principal will write to the complainant explaining that their behaviour is unreasonable and asking them to change it. For complainants who excessively contact Uplands
Community College causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will usually be reviewed after six months.

In response to any serious incident of aggression or violence, the concerns and actions taken will be put in writing immediately and the police informed. This may include banning an individual from Uplands Community College.

**Barring from the school premises**

Although fulfilling a public function, schools are private places. The public has no automatic right of entry. Uplands Community College will therefore act to ensure they remain a safe place for pupils, staff, and other members of their community.

If a parent’s behaviour is a cause for concern, Uplands Community College can ask him/her to leave school premises. In serious cases, the Principal or the local authority can notify them in writing that their implied licence to be on school premises has been temporarily revoked subject to any representations that the parent may wish to make.

Anyone wishing to complain about being barred can do so, by letter or email, to the Principal or chair of governors. However, complaints about barring cannot be escalated to the Department for Education. Once the school’s own complaints procedure has been completed, the only remaining avenue of appeal is through the Courts; independent legal advice must therefore be sought.
Appendix A: Roles and Responsibilities

Complainant
The complainant will get a more effective and timely response to their complaint if they:

- Follow these procedures;
- Co-operate with the school throughout the process, and respond to deadlines and communication promptly;
- Treat all those involved with respect;
- Not publish details about the complaint on social media;
- Explain the complaint in full as early as possible;
- Co-operate with the school in seeking a solution to the complaint;
- Ask for assistance as needed;
- Refrain from publicising the details of their complaint on social media and respect confidentiality.

Investigator
An individual will be appointed to look into the complaint, and establish the facts. They will:

- Interview all relevant parties, keeping notes;
- Consider records and any written evidence and keep these securely;
- Prepare a comprehensive report to the Principal or complaints committee, which includes the facts and potential solutions.

The investigator's role is to establish the facts relevant to the complaint by:

- Providing a comprehensive, open, transparent and fair consideration of the complaint through:
  - Sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved;
  - Interviewing staff and children/young people and other people relevant to the complaint;
  - Consideration of records and other relevant information;
  - Analysing information;
- Liaising with the complainant and the complaints coordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- Conduct interviews with an open mind and be prepared to persist in the questioning;
- Keep notes of interviews or arrange for an independent note taker to record minutes of the meeting;
- Ensure that any papers produced during the investigation are kept securely pending any appeal;
- Be mindful of the timescales to respond;
- Prepare a comprehensive report for the Principal or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.

The Principal or complaints committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Clerk to the Governing Body
The Clerk will:

- Be the contact point for the complainant and the governing board review panel, including circulating the relevant papers and evidence before complaints committee meetings;
- Arrange the complaints hearing;
- Record the outcome of the hearing;
• Notify all parties of the committee’s decision.

Panel chair
The panel chair will:
• Chair the meeting, ensuring that everyone is treated with respect throughout;
• Make sure all parties see the relevant information, understand the purpose of the committee, and are allowed to present their case;
• Ensure the meeting is conducted in an appropriate manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy;
• Seek to put complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person;
• Ensure the remit of the committee is explained to the complainant;
• Ensure written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual’s rights to privacy under the DPA 2018 or GDPR.

If a new issue arises, it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting
• Ensure both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself;
• Enable the issues to be addressed and key findings of fact are made if appropriate;
• Ensure the committee is open-minded and acts independently;
• Check no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure;
• Ensure the outcome of the hearing is recorded;
• Liaise with the Clerk.

Panel member
Panel members should be aware that:
• The meeting must be independent and impartial, and should be seen to be so. No governor may sit on the panel if they have had a prior involvement in the complaint or in the circumstances surrounding it;
• The aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant;
• The complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations;
• Many complainants will feel nervous and inhibited in a formal setting’
• Parents/carers often feel emotional when discussing an issue that affects their child’
• Extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting. Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated. The panel should respect the views of the child/young person and give them equal consideration to those of adults. If the child/young person is the complainant, the panel should ask in advance if any support is needed to help them present their complaint. Where the child/young person’s parent is the complainant, the panel should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend. However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person’s best interests. The welfare of the child/young person is paramount.
